The project

The VIPsVIBES project aims to promote the integration of visually impaired persons (VIPs) in the bakery sector:

- by providing new skills to VIPs so that they can find work as bakery assistants
- by training a mentor figure who can make the bakery sector inclusive for VIP workers.

Target group

1. VISUALLY IMPAIRED PEOPLE who want to become ASSISTANT IN BAKERIES.
2. EMPLOYEES IN THE BAKERY SECTOR who want to become bakery mentors to make their company more inclusive.

Results

- A METHODOLOGICAL HANDBOOK providing visually impaired people and bakery tutors with the necessary skills to work in the bakery sector and to make the bakery sector more inclusive.
- A TOOLKIT containing digital tools to make bakery more accessible for visually impaired people.
- A COURSE and CERTIFICATION SYSTEM to support the upgrading of skills for visually impaired people and workers in the bakery sector.
